

DEFENSE FLOW SOLUTIONS

Defense Flow Solutions, a small business concern, is a comprehensive provider of pipe, valves, fittings (PVF), and MRO products and services for the U.S. Navy Shipbuilding Industry. As a premier distributor with deep industry expertise, we are a reliable partner to the maritime industrial sector. Our commitment to quality is demonstrated through rigorous pre-shipment inspections, ensuring our products consistently meet operational specifications and scheduling requirements. With nationwide distribution and expedited delivery capabilities, we support our customers in achieving mission-critical performance with confidence.

Core Competencies and Differentiators:

- 100+ years of combined Navy shipbuilding industry experience
- Navy-spec certified products
- Fast quotes and order processing
- Pre-shipment quality inspections
- Competitive pricing and delivery
